Please note the dates that Monday classes are not meeting. These groups may have 3 make-ups

All other families: you may have 2 make-ups per semester. Please see below for details. Thanks!

Refunds: A full refund is available if canceling 5 days before first class session. Partial refund (tuition less service/materials/one class session fee) is available for 24 hours after the first class. Please be advised, no refunds will be given after this time unless circumstances are extraordinary.

Make-ups: To accommodate sickness, vacation & the inevitable, your family may use **2 make-up classes per semester.** If you miss two classes this semester, but don't use your make-ups, **you may not carry the make-ups over to the next semester.** If class is cancelled due to weather or teacher illness, we will make every effort to offer an additional class, which will not count as a make-up. **NEW!! We are no longer accepting phone-requests for make-ups.** Make-ups **MUST** be reserved in advance, by signing up in the Make-Ups folder, which is brought to every class. There is a limited amount of space available each week; we encourage you not to wait until the last minute to reserve your spots.

Extra! In addition to the 10 weekly 50 minute sessions you will receive a professional quality *CD, tape,* beautifully illustrated *songbook,* instructive *research articles* and/or handout. Every semester we offer a "Parent Gathering" (a.k.a. "Parent Education Night") to help you get the most out of Music Together and help you enhance your child's natural musical development (as well as your own) both in and outside class..
